The sport of baton twirling develops confidence, physical fitness, coordination, improvement in memorization skills and artistic expression. Baton twirling also inspires competitive spirit and improves self-image along with offering great fun! Many of our students go on to twirl in college and receive scholarships! We participate in local Christmas Parades!

STAFF

Baton twirling classes are taught by United States Twirling Association (USTA) coaches

BATONS

Batons will not be used the first week of classes. A balanced Starline baton may be ordered the first week of class and paid for during the second weekly class for \$29.00.
